Commenting on the occasion, **Mrugesh Gandhi, Head – Mohali Plant, Godrej Appliances** said, "We are ecstatic to have received this certification from such a distinguished association as FICCI - FLO. This certification is a testament to Godrej's efforts in setting new benchmarks for the industry. Godrej Appliances is known as a pioneer and innovator through good and green products like CFC-Free Refrigerators, Greenest Air Conditioners, energy efficient appliances and many others. We have always been thought leaders when it comes to sustainability. For us environment is a value that has been ingrained in our corporate DNA since our very inception. We believe that it is our duty to be responsible manufacturers, paving the way for sustainable manufacturing in the industry. Our Mohali Plant is a living example of this belief."

The brand was conferred in a virtual ceremony, in the presence of Shri Alok Shekhar, Principal Secretary, Department of Industries and Commerce (Punjab), Shri Rajat Aggarwal, CEO Invest Punjab and Ms. Manjot Dhillon, Chairperson, FICCI FLO - Amritsar.

Some of the salient features that contributed towards making the Mohali unit certified are:

- Mohali plant's specific carbon emissions have been reduced by 27.72%.
- The plant is water positive and has no discharge. The facility has reduced its water use by 41.79 % in the last five years, and it recharges more than it withdraws at a ratio of 1:2.73.
- By increasing recycled content for raw materials such as steel, plastics, glass, cast iron, aluminium, rubber, copper, and paper, the plant achieved a 30 % recycled content rate.
- All non-hazardous trash is 100% recycled, and non-hazardous waste generation has dropped by 31.8 % in the past five years.

- In addition, the plant has attained “zero waste to landfill” status and uses renewable energy to the tune of 40%.
